

## Douglas County Government Department of Public Works Engineering

### Sunday Work Permit Request

1. Sunday work can be performed from 7am to 7pm but inspections can ONLY be scheduled between 8am-4:30pm. Requests are for ROW Use and/or Construction Permits ONLY.
2. Sunday requests must be received no later than 4pm Monday, the **non-refundable payment is required by 5pm Monday**, no exceptions.
3. Sunday Inspections fees are \$300 minimum plus \$150 per hour after the first two hours.
4. Accepted Inspections for Sunday are as follows:
  - a. Asphalt (mid lifts) in new developments
  - b. Asphalt (top lift) in new developments
2. Work that does not require an inspection:
  - a. Site Clean up
  - b. Dirt/subgrade Prep
  - c. Setting Forms
  - d. String Line
5. Note that this is a request only and must be approved before you have permission for Sunday work.
6. Upon receipt of approval (Payment Receipt is your approval) from the Douglas County Public Works – Engineering Division, you will need to call 303-660-7487 by 3:30 p.m. on Friday to confirm that the project is on the schedule and work is to be performed on the date specified. Specific timed inspections for the placement of asphalt will need to be scheduled at that time.
